MEMORANDUM OF UNDERSTANDING (MOU)

This Memorandum of Understanding (MOU) is made on this 27 day of feb 2026, by and between the following parties:

Party – 1 (Faculty of Engineering)
Bhabha University, Bhopal
Jatkhedi, NH 12, Narmadapuram Rd, Jatkhedi, Bhopal, Madhya Pradesh 462047

Party – 2
NextGood Technologies Pvt. Ltd.
Manas Enclave, Indira Nagar
Lucknow – 226016

1. Preamble

Whereas, the University is engaged in providing higher education and academic excellence;

Whereas, the Company specializes in Information Technology solutions, industry-oriented training programs, and emerging technology services;

Both Parties, recognizing the importance of academia–industry collaboration, hereby agree to establish a cooperative framework for mutual growth, skill development, research, and innovation.

2. Purpose

The purpose of this MOU is to strengthen collaboration between the University and the Company in order to:

- Enhance students' practical and industry-relevant skills
- Promote innovation, research, and technical excellence
- Provide exposure to real-world projects and emerging technologies including Artificial Intelligence (AI), Data Science, Web & Mobile Development
- Bridge the gap between academic curriculum and industry requirements

3. Scope of Collaboration

The areas of cooperation may include, but are not limited to:

- Industry-oriented training programs and workshops
- Seminars, guest lectures, and expert sessions
- Internship and live project opportunities
- Collaboration in AI-based solutions, software, web, and mobile application development
- Joint research, innovation, and skill development initiatives
- Career guidance and mentoring programs

Specific activities shall be mutually discussed and agreed upon by both Parties from time to time.

Bhabha University Bhopal

4. Roles and Responsibilities

Responsibilities of the University:

- Facilitate student participation and academic coordination
- Provide necessary infrastructure and institutional support
- Grant required approvals for conducting collaborative activities

Responsibilities of the Company:

- Provide industry experts, mentors, and trainers
- Conduct technical training sessions and workshops
- Offer project-based learning and internship opportunities
- Support students in skill development and career advancement

5. Validity and Termination

This MOU shall come into effect from the date of signing by both Parties and shall remain valid for a mutually agreed duration.

Either Party may terminate this MOU by providing written notice to the other Party. Ongoing activities at the time of termination shall be completed based on mutual understanding.

6. Confidentiality

Both Parties agree to maintain confidentiality of any proprietary, academic, technical, or business information shared during the course of this collaboration and shall not disclose such information without prior written consent.

7. General Provisions

This MOU represents a statement of intent between the Parties and does not create any financial or legal obligations unless separately agreed upon in writing.

8. Signatures

In witness whereof, the authorized representatives of the Parties have signed this Memorandum of Understanding on the date first written above.
