06-07 August 2021**

**EMERGING TRENDS IN MULTI
DISCIPLINARY RESEARCH**

About Bhabha University

We are a renowned educational group in central India established in 2003. Now known as "BHABHA UNIVERSITY", Bhopal established by the Act of Madhya Pradesh Legislature and is notified in the Official Gazette of the State Government. The Bhabha University provides a world class environment of research and Education to students. University is successfully running various institutions in discipline of Engineering, Pharmacy, Dental, Hotel Management and Catering Technology, Faculty of Law, Computer Applications, Management, & Education etc in the central India.

About Faculty of Computer Application & Education

Faculty of Computer Application was started in 2003 and Headed by Dr Deepa Bakhshi with the objective of imparting quality education to the youth to meet the challenges of Corporate Sector.

Faculty of Education was started in 2005 which was accredited by NAAC and Headed by Dr Kavita Padegaonkar.

About Conference

There is a noticeable surging growth in connectivity, broadband and data across the country in specific & the World in general. Digitization which harnesses the power of connecting people, process data and things, will transform our industries and change the way we work and how government serves its citizens. The conference will also be having digital track in the form of webinar presentation helping few authors to get connected to audience through ICT mode.

In order to explore the underlying facts the conference has the following objectives

- . Providing a platform for academician, corporate, research Scholars and students to contribute towards the vision of the conference with the blend of their experiences.

- . Fostering the analytical skill in the core and non core domain of the participants.
- . Contributing towards the pool of resourceful knowledge and ideas to carve its niche.
- . Providing an opportunity to all participants for networking and collaboration in future research projects.
